Phloem transport: **Are you chaperoned?**

Katrina M. Crawford and Patricia C. Zambryski

Current Biology 1999, Vol 9 No 8:R281–R285

In this dispatch, which appeared in the 22 April 1999 issue of *Current Biology*, references 18–23 were numbered incorrectly and one of the tables cited another reference incorrectly. In Table 1a, the citation for Thioredoxin h should be [15] not [17], and in Table 1b, the citation for Thioredoxin h should be [14,15] not [14,17]. A corrected list is given below for the affected references.
